## Port Facility Precautions

Read these guidelines before entering a Port facility

### CALL AHEAD

If you need to enter a Port or tenant office, please call ahead. Some offices may not be accepting walk-in traffic or may have temporary hours of operation.

### SOCIAL DISTANCING

Maintain social distance of at least six feet from others whenever possible.

### MASKS

The State of Oregon has required face coverings in all public indoor spaces. The Port of Astoria is upholding this requirement as well.

### HAND SANITIZER

Please wash your hands or use hand sanitizer after touching any public surfaces. Hand sanitizer is available in all lobbies and Port offices.

### STAY HOME

If you experience symptoms or have had contact with someone diagnosed with COVID-19, please do not enter Port buildings.

*Thank you from the Port of Astoria.*
