

Briefly describe your interest and motivation for serving on the Port Commission.

Please share any of your public sector experience; we are particularly interested in any decision-making positions you may have held.

Please describe for us your ideal “team” environment.

What strengths do you believe you will bring to the Port Commission?

What do you consider to be the greatest issues facing the Port of Astoria in the next year, three years, five years and ten years?

What do you need in order to make an effective decision?

What do you think it will be like to participate in an environment where controversy, and conflict may occasionally exist due to the many constituencies, which may have an interest in Port Affairs?

What are the interests and qualities you will bring to the Port of Astoria?

Please add other information or comments you believe will be helpful as the Commission considers this appointment.
