Subject: Thank You Astoria

Just a short note to let you know that my wife and I visited Astoria on May 10, 2007 as passengers from the Diamond Princess.

It was a cold and blustery day (even to us folks from PA) but we were pleasantly surprised by the group of Astoria citizens who greeted us at dockside and directed us to where we wanted to go. There were plenty of buses at the dock and we did not have to wait in the weather to get downtown.

Your downtown was a pleasant surprise and we found several items to purchase at Finn's and at Holly McHone Jewelry store.

We were greeted with smiles and made to feel welcome everywhere we went. Your townsfolk are among the most pleasant we have met in our journeys and we hope to visit again.
