Subject: Thanks for the Warm Welcome

Hello. My husband and I just visited Astoria last Wednesday via Royal Caribbean's Radiance of the Seas cruise ship. I just wanted to pass along our warmest thanks to all of your area volunteers that came out to welcome us to your very special community. Coming from the South, we both commented on how we believe you have some of the friendliest and nicest people one could hope to meet - it made a lasting impression of what a community should be.

Our sincere thanks for all of your hospitality.

Kay LaMont, Administrative Secretary
Aviation Department
Charlotte Douglas International Airport
