**#1- Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.**

**Patient is in good general condition- no fever- no cough –no difficulty breathing**

**Patient is in precautionary isolation. Expected release time 10/08/2020**

**PCR test was negative 9/22/2020**

**#2 Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.**

**Patient is in good general condition- no fever- no cough –no difficulty breathing**

**Patient is in precautionary isolation. Expected release time 10/08/2020**

PCR test was negative 9/22/2020

#3 Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/22/2020

#4 Crewmember- Patient is in quarantine because she embarked 09/24/2020 traveling from Honduras to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/23/2020

#5 Crewmember- Patient is in quarantine because he embarked 09/26/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/10/2020

PCR test was negative 09/24/2020

#6 Crewmember- Patient is in quarantine because she embarked 10/02/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/16/2020

PCR test was negative 09/30/2020

#7 Crewmember- Patient is in quarantine because he embarked 10/02/2020 traveling from Croatia to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/16/2020

PCR test was negative 09/30/2020

#8 Crewmember- Patient is in quarantine because he embarked 10/03/2020 traveling from India to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/17/2020

PCR test was negative 09/30/2020

8. Is anyone in quarantine and why? Yes

#1- Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/22/2020

#2 Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/22/2020

#3 Crewmember- Patient is in quarantine because he embarked 09/24/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/22/2020

#4 Crewmember- Patient is in quarantine because she embarked 09/24/2020 traveling from Honduras to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/08/2020

PCR test was negative 9/23/2020

#5 Crewmember- Patient is in quarantine because he embarked 09/26/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/10/2020

PCR test was negative 09/24/2020

#6 Crewmember- Patient is in quarantine because she embarked 10/02/2020 traveling from Philippines to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/16/2020

PCR test was negative 09/30/2020

#7 Crewmember- Patient is in quarantine because he embarked 10/02/2020 traveling from Croatia to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/16/2020

PCR test was negative 09/30/2020

#8 Crewmember- Patient is in quarantine because he embarked 10/03/2020 traveling from India to Mexico.

Patient is in good general condition- no fever- no cough –no difficulty breathing

Patient is in precautionary isolation. Expected release time 10/17/2020

PCR test was negative 09/30/2020

9. Have you submitted the Maritime Cumulative ILI Report to the CDC? **Yes**
