This ITB, and supporting documents, will be available at the Port office and on the Port website:
<https://www.portofastoria.com/public-notices>

The Technical Specifications and, where applicable, the Engineering Plans (Addenda 1 & 2) are hereby modified to specify the below-listed requirements:

1. Subsection (g) (Decking Clips) in Section '05150.65 PRODUCTS' (MATERIALS) of the Technical Specifications is changed to specify FC-4 clips for the fiberglass decking clips.
2. Subsection (e) (Wales) in Section '05150.65 PRODUCTS' (MATERIALS) of the Technical Specifications is changed to specify Wales manufactured with Tangent Molded Lumber and not 'Moistureshield Vantage' or 'Trex Transcend.'

This ITB Amendment shall not be deemed to expressly or impliedly waive, amend or supplement any provision of the ITB other than as expressly set forth herein.
