**RE: Pre-seizure notice for OR 839TP**

Dear Mr. Pape,

The title and registration records of the Oregon State Marine Board indicate that you are the current owner of 1977 Bayliner Sailboat, 32 ft. in length, with the hull identification number of BLBA01BC0677 and a registration number of OR 839TP. On or about February 1, 2025, the boat annual moorage was due.

Pursuant to state law, ORS 830.908, this boat is declared an abandoned vessel for the reason of non-payment for moorage. This boat is further declared an abandoned vessel by reason of remaining tied up to Slip A 29 at the Port of Astoria West Basin.

This boat **WILL BE SEIZED** under the authority of ORS 830.911 by the Port of Astoria Marina, for being an abandoned vessel if the Moorage slip is not paid in full.

**Seizure date and time: April 6, 2026, at 4:00 pm.**

If the boat is seized, you, as the owner of this boat, are liable for the salvage, towing, storage and disposal costs of this vessel. If you do not pay the costs of salvage, towing and storage costs, within 30 days of the seizure, title to this vessel will vest with the Port of Astoria and the boat will be sold or destroyed. You will remain liable for any outstanding salvage, towing, storage and disposal costs.

You have until the seizure date and time listed above to request a hearing to contest the validity of the proposed seizure. A request for hearing must be in writing, directed to the Enforcement Agency listed above, and must indicate if you contend that the vessel is not abandoned or derelict, or indicate such other specific grounds on which seizure of the vessel is challenged.

You also may be cited for failure to remove an abandoned vessel if you fail to move the vessel to a place where the vessel can be lawfully kept by the seizure date and time above.

If you have any questions, please direct them to Janice Burk Marina Manger Port of Astoria 503-325-8279.
